someone you know that
deserves this award...

The Chamber Promotions & Events Committee has a program to recognize area employees who provide exceptional service to their customers. The **Super Service Award** was created to honor those who go “above and beyond” in helping their customers and consistently create customer satisfaction and delight.

We want to showcase the great customer service we have in Detroit Lakes. So please keep your eyes open for people offering great service and...

Nominate Them!*

* to be eligible, nominee's business must be a Chamber member and should be nominated by a customer rather than their employer
