

Dear Vendor:

The Detroit Lakes Regional Chamber of Commerce is excited for the **43rd Annual Art in the Park** on Sunday, July 25, 2021! We had to cancel our event in 2020; life and our City Park are now a bit changed. Our event will still be located in the Detroit Lakes City Park at the corner of Washington Ave. and North Shore Dr., but the booth layout will be different. Our park now includes public art, a bike path and new landscape!

Our goal is to sponsor a quality event in Detroit Lakes which will offer good shopper traffic for the exhibitors, bring more visitors to our area, and provide an income source to help our Chamber better serve this event and our area. We are exploring new ways to partner with our DL Chamber Member businesses and ways to continue to attract interesting vendors for today's buyer.

In 2021, we will be changing our booth layout due to the change in the park landscape and to allow for social distancing to keep our attendees comfortable. You will most likely not have your booth in the same spot as previous years. Please note: because this event takes place in a grassy public park, there is no vendor parking near the booth area. You will need to make plans to unload in the designated area and park one block or more from your booth. We recommend a "pop-up" style tent, weights for your displays (no stakes) and a cart that can be pushed in grass.

Our Art in the Park Committee will continue its robust advertising and marketing efforts for this event. In addition, this event is listed in our Detroit Lakes Regional Visitor Guide, of which 55,000 copies are distributed around the state and throughout the nation. This event is also featured on our website at <https://www.visitdetroitlakes.com> and on the Visit Detroit Lakes Facebook page with over 21,000 fans.

If you have any questions please feel free to call the DL Chamber Office at 218-847-9202.

We look forward to your participation!

Sincerely,

Detroit Lakes Regional Chamber of Commerce
