4 Ambassador Visits

On May 1st, the Detroit Lakes Chamber Ambassadors did ribbon cuttings and presented two businesses with their First Dollar of Profit.

Sunbehm Inspections

Cory Behm, owner of Sunbehm Inspections, met with our Chamber Ambassadors and explained how he started his business. He asked himself "What does DL need? What does DL want?" and the answer that came up was Sunbehm Inspections.

Sunbehm offers professional Home Watch Services for seasonal and absent homeowners in Detroit Lakes and the surrounding lakes area.

The Dashery

The Chamber Ambassadors helped The Dashery celebrate their Grand Opening of their Detroit Lakes location. We heard from Mandy Brower, owner of The Dashery, about her business, why they decided to come to Detroit Lakes, and what brands they carry.

Member News

Essentia Health St. Mary's Detroit Lakes Clinic welcomes Behavioral Health Specialist Molly Anderson and Dermatology Specialist Jenna Mazour. Both women are advanced practice registered nurses and certified nurse practitioners.

Arvig was awarded grant funding from the Minnesota Office of Broadband Development's Broadband Line Extension Connection Program to construct last-mile fiber network infrastructure for high-speed internet to 69 unserved locations, of which four are in our area. Work is projected to be finished by May 2025.

We invite you to complete the DL Regional Chamber's strategic survey. This brief survey, which will take just 1-3 minutes of your time, is in our weekly eblast, and is designed to gather your insights on how the Chamber can enhance its support and services for you and your business.
