Elevate Our Voice: MN Day at the Capital

The Detroit Lakes Regional Chamber of Commerce is excited to announce a new opportunity for Chamber members to elevate their voice at the state level—and it truly matters.

Through a new partnership with the Fargo–Moorhead–West Fargo Chamber, we are co-hosting **Minnesota Day at the Capitol on March 11–12 in St. Paul**. This two-day experience brings business and community leaders face-to-face with legislators, agency leaders, and executive branch officials—creating real conversations around the issues shaping our businesses, workforce, and region.

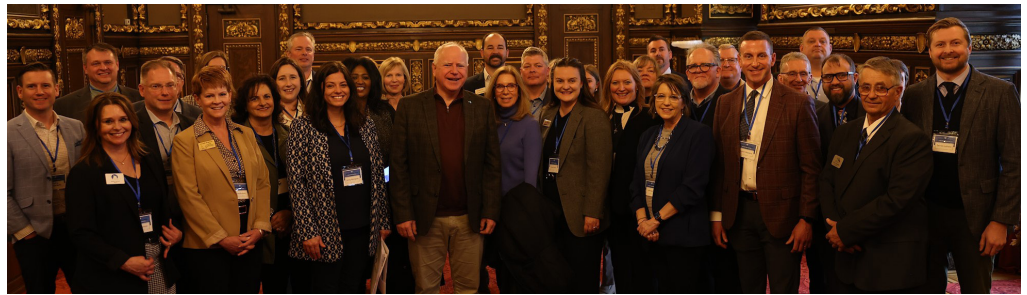

When business leaders show up together, relationships are built, priorities are understood, and our region gains a stronger voice where decisions are made. This is more than a trip—it's a chance to advocate, connect, and better understand how state policy impacts your business and our community.

A registration fee applies. Participants arrange lodging and transportation. A room block is available through February 25. **Full details and registration are at fmwfcchamber.com/events.**

A special thank you to **ProResources** for sponsoring this opportunity for Chamber members to access and influence the important decisions made in St. Paul.

Contact Jackie at the Chamber with any questions about this opportunity or if you want to know more about what to expect.
